Unfinished business

The proposed gate project at Antelope Lake is on hold until FWP and BLM can get together and decide on the placement of the proposed gate.

We discussed how we wanted to handle the chain saw certification at Gibson Dam and it was decided that the chapter would provide the meals for those that wanted to attend and that we would take the chapter tent along with the wood stove to make meal preparation easier and in case of rain.

There was no other unfinished business.

New business

The next work project is July 14 and 15 at Swift Dam as we have been unable to get a hold of Ian and discuss the culvert on the North Fork of Birch Creek Trail it was decided no matter if we get in touch with Ian or not we will either work on that trail or the washouts on the trail behind the reservoir and Helen Suta agreed to do the cooking for the work project and we will be camping at the campground.

The next item was the poker ride and posters for the August 5th poker ride at Swift Dam and it was decided that we would keep the poster and food prices the same and change the date for the new posters. Zane said he would be available to do the live auction at the end of the poker ride and Ron said he should be okay to cook the burgers.

Members were reminded to start asking for door prizes and auction items for the poker ride.

We had one new membership that was approved at the meeting.

Our next Regular Meeting will be held on July 12th at the Pondera County Court House EOC Office at 7:00 P.M.

There being no other new business the meeting was adjourned.
