

UPPER CLARKFORK BACK COUNTRY HORSEMEN

We are stewards of the back country, committed to preserving and maintaining the balance between nature and recreation. Our community contributes to the conservation of our cherished Montana Back Country. Through organized trail rides, educational programs, and volunteer initiatives, you will have the opportunity to make a tangible difference in the upkeep of trails, ensuring they remain accessible for generations to come. Joining UCFBCH is not just about riding; it's about forging lasting connections, fostering a sense of responsibility for the great outdoors, and leaving a positive impact on the landscapes we hold dear. Join UCFBCH – where passion meets purpose in the heart of the Montana back country.

WHO WE ARE

We are a growing group of like-minded people who, besides being horse and mule enthusiasts, are deeply committed to preserving Montana's Back Country for everyone to enjoy - now and for future generations. As a non-profit group, we work closely with the United States Forest Service to clear trails, repair bridges, and work on other conservation projects that align with our mission. We are a chapter of the Back Country Horsemen Montana organization that, in turn, is part of the national group, Back Country Horsemen of America.

UCFBCH HIGHLIGHTS

We enjoy day-rides as well as over-night trips during the summer riding season. We are fortunate to have many expert horsemen in our membership who host defensive horsemanship, groundwork, and other clinics to our group to help us all become better riders and our horses to become better partners. We proudly host packing clinics for youth in our community and sponsor classes at local fairs and shows.

UCFBCH MISSION

- To perpetuate the common-sense use and enjoyment of horses in America's back country and wilderness.
- To work to ensure that public lands remain open to recreational stock use.
- To assist various agencies responsible for the maintenance and management of public lands.
- To educate, encourage and solicit active participation in the wise and sustained use of the back country resource by horseman and the general public, commensurate with our heritage.
- To foster and encourage formation of new Back Country Horsemen organizations.
