

# MEETING CHANGE:

## MEETING WILL BE MONDAY FEBRUARY 3RD.

Tony and Dennis have been working on a RAC Grant. The Grant has to be submitted by February 3rd., so a committee met with the Forest Service to see what the scope of work would be for the 2020 summer. Our part would be focused on the Elkhorn Management Area, clearing trails, packing and installing sight posts.

We are putting together lists for certifications, Chain Saw, Cross-cut & First Aid. **PLEASE CHECK THE DATES ON YOUR CARDS and let me know if you need/want to update your training.**

I have lists with the email response of those interested , so if you haven't contacted me yet, do so at the meeting.

### Guest speaker for meeting

**\*\* Chuck Wittmer \*\***

**Montana Equine Medical  
and Surgical Center**
