WE WILL MEET

6:00PM

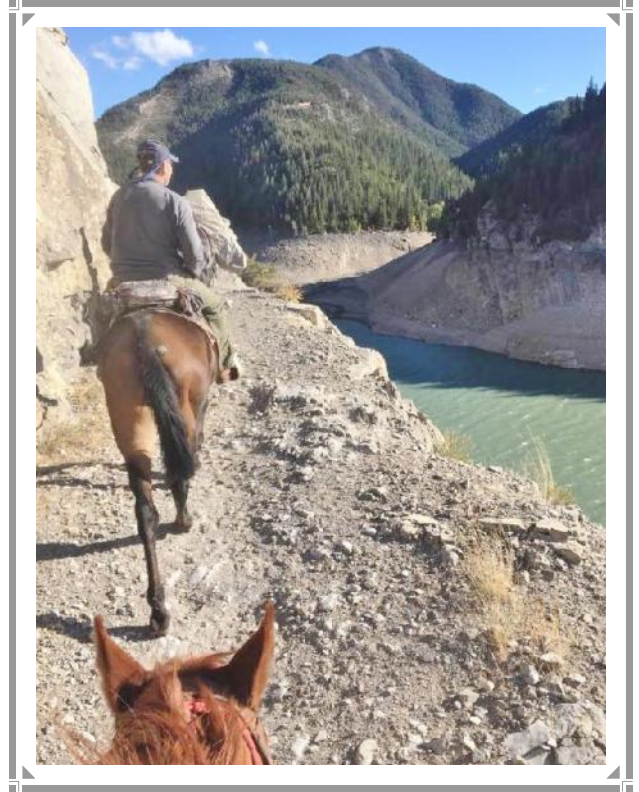

MONTANA WILD

PAVILLION

Tony's Gates of the Mountains Report

There is still 1-1/2 miles left in the gates to be cleared on the Refrigerator Canyon side of Bear Prairie and Kennedy to Bear Prairie. It may not get done this year.

Thanks to all the members but especially Tony, and Lyndsay for all the time they have put in to try to get this project done. So next year we will give it another go and get it completed.

Sue has a report on the progress of the Scratch Gravel trail project (the attached email.). And Katy will check to see if we will continue to have our meetings and if so where.

**Meeting OCT. 7th,
600 PM**
