We scheduled the first of monthly horseback riding clinics on January 9 from 1 to 3 pm at Renee Pipinich's barn.

Renee's arena is top notch, plenty of room and all sand and always in great shape. It is heated too!

Parking and access is very easy.

The plan for Jan 9 is to have a social gathering from 1 to 2. We will have hot chocolate and cookies.

You are welcome to bring your own thermos and food if you wish.

Bring your own chair and we can sit in the arena and talk at social distance.

Then at 2 pm, we can do some riding.

The club is planning to set up these events each month. We hope to do some instructional work including:

Bringing in a farrier to show us what to bring and do if you have a shoeing related emergency in the backcountry.

Having a veterinarian in to discuss horse health issues.

Bringing in a trainer to give us tips for getting ready to ride, flagging and other techniques.

Plus playing games and setting up trail coursework in the arena.

It will be a lot of fun and a good way for us to stay in touch as a club! Please come with or without your horses!!!
