

LAST CHANCE BCH JUNE 4th. MEETING NELSON TRAILHEAD

National Trails Day June 4th. We will be meeting at the Nelson Trailhead above York to clear the 3 main trails in the Gates of the Mountain Wilderness.

Plans are to meet before and after clearing at the trailhead. The club will provide the meat and everyone can bring a potluck dish

BUT WE NEED TO KNOW HOW MANY PEOPLE WE CAN COUNT ON BEFORE WE BUY THE FOOD AND PLAN A POT LUCK. WE ALSO NEED TO DECIDE ON TRAILS BASED ON PARTICIPATION.

The 2022 volunteer agreement with the Forest Service will be available for all the members that will be doing trail work, packing etc. to sign.

2021 AFTER A TERRIFIC MEAL OF RIBS TIME TO RELAXED

TIME IS SHORT SO DON'T DELAY

GET BACK TO ME ASAP

IF YOU ARE INTERESTED IN HELPING CLEAR TRAILS, HELP AT CAMP, HAUL EQUIPMENT, OR ANY OTHER TASK THAT NEEDS TO BE DONE FOR NEXT WEEKEND.

WE WILL MEET AT THE TRAILHEAD AT 1 8:30-9:00 ON SATURDAY WILL BE JUST A ONE DAY ADVENTURE.

FREEZE BRANDING & Dutch Oven pot luck was well attended on May 14 despite the fact we had a faulty nitrogen container and had to brand at a later date. That gave us more time to practice packing

Big thanks to Sherri, Fred, Jeff, Bob & (Roy the mule) for packing demonstrations and instructions to help out. Followed up by a scrumptious variety of salads, Dutch Oven main dishes and great deserts. The DO challenge of the best main dish and the best desert went to Debbie Tomaskie, Gary Wiles had the best side dish and Brenna Hughey won the best bread division.

Thanks everyone for jumping in and helping out, made for a giant success
