- Treasurer's Report: Presented by Ali K
 - Looking to identify an individual to audit our 2024 books in 2025
 - Taxes? TBD
 - CDs - 3512 & 3547 are set up with variable interest, maturity date 3/7/2025 and currently earning 4.25%. If we leave as-is, they will automatically "rollover" with the same 12-month time and variable interest rate. This is the best deal from OPP Bank. We discussed whether to withdraw any money for the convention; decided not to. Membership agrees to leave as-is. Our other CD - 6738, maturity date 4/18/2025 is the same as the others listed above. We will leave as-is unless we determine a withdrawal is necessary at our April meeting.
